

Knowledge Area Update Form

Please identify your ability to instruct in the specific Knowledge Area(s) listed below, which are drawn from the Pennsylvania Core Knowledge Competencies for Early Childhood and School-Age Professionals. Select only those areas that are appropriate for your experience and educational background, as supported by attached documentation.

For each Knowledge Area(s) selected within your application, list justification supporting why this is an area of expertise. Documentation must be included within the 'Additional Supporting Documentation' in the Add Documentation section in the application. Supporting documentation for this could be college transcripts, Learning Record, any past experience, etc.
