

## HOW TO CHANGE YOUR EMAIL

1. Go to [www.papdregistry.org](http://www.papdregistry.org).
2. Click **Login** in the top right corner.

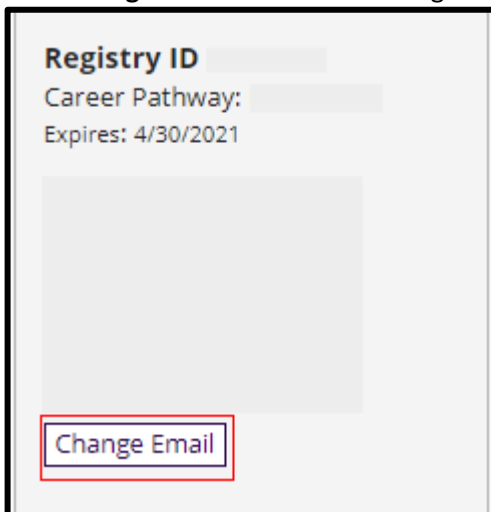

3. Enter your email address and password, then click **Login**.

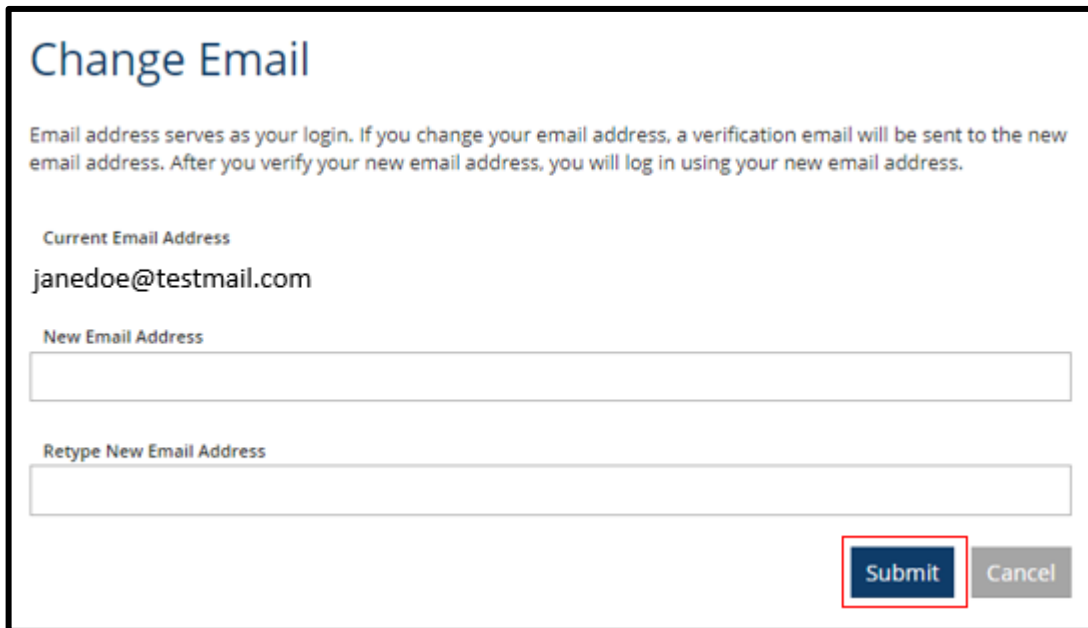

A login form with a white background and a black border. It contains the following elements from top to bottom: a text input field labeled "Email address", a text input field labeled "Password", a checkbox labeled "Remember me", a dark blue button with a white right-pointing arrow icon and the text "Login", a link labeled "Forgot Password?", and a link labeled "Create Account" with a small person icon.

4. Click **Change Email** located on the right-hand side of your profile.

5. Enter in your new email in both sections; click **Submit**.

*Email address serves as your login. If you change your email address, a verification email will be sent to the new email address. After you verify your new email address, you will log in using your new email address.*

**Change Email**

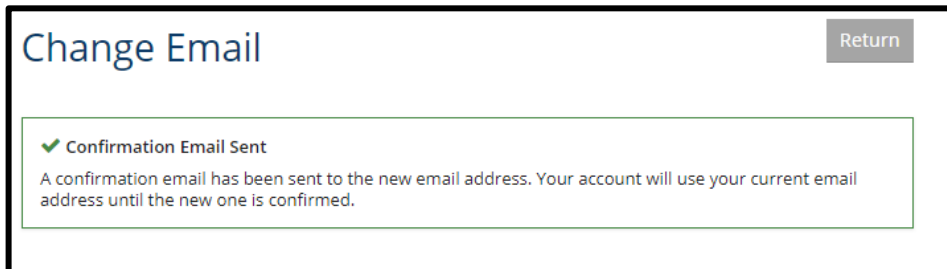

Email address serves as your login. If you change your email address, a verification email will be sent to the new email address. After you verify your new email address, you will log in using your new email address.
