

## Join the PA AAP ECELS and First Food programs for a FREE webinar:

### *Breastfeeding: Supporting Families in Early Childhood Education (ECE) and Child Care Settings*

**Date: Wednesday April 6, 2022 from 1-2:30pm**

*Do you have questions about storage and handling of human milk?*

*Are you interested in learning more about the value of breastfeeding and paced bottle feeding? Join this FREE webinar to learn what you can do to promote and support chest/breastfeeding infants and families in Early Childhood Education (ECE) and child care programs.*

**Presented by: Nikki Lee, RN, BSN, MS, IBCLC, CCE, CIMI, ANLC, CKC, RYT; Debbie Marino, LPN, Child Care Owner, Child Care Health Consultant & Debra Bogen, MD, FAAP, FABM**

**Moderated by: Jennifer Gobbi, BSN, RN, CSN, ECELS Training/Technical Assistance Coordinator**

#### **Objectives:**

1. Identify reasons to support chest/breastfeeding
2. Explain the safe handling and storage procedures for human milk
3. Describe rationale and practice for paced bottle feeding
4. Explain benefits to program when chest/breastfeeding is supported
5. Describe and apply supportive policies for chest/breastfeeding

This FREE professional development session is designed for early care and education (child care) program directors and staff, group and family child care providers, Head Start staff, Early Learning Resource Center (ELRC) Quality Coaches, child care health consultants and child care health advocates. Participants will receive 1.5 hours of PA Key professional development credit after submitting an evaluation.

#### Credit Designation

The University of Pittsburgh School of Medicine designates this live educational activity for a maximum of 1.0 AMA PRA Category 1 Credits™. Physicians should claim only credit commensurate with the extent of their participation in the activity.

Other health care professionals attending this program will receive a Certificate of Attendance confirming 1.0 hours of continuing education in a CME accredited program. For nurses, these hours may be considered eligible for completing the 30 hours of continuing education required for biannual nursing re-licensure in Pennsylvania.

First Food is a program of the Pennsylvania Chapter, American Academy of Pediatrics, made possible through funding from the Pennsylvania Department of Health
